

AISGW CONFLICT OF INTEREST POLICY

- a. **No Financial Interest.** No member of the Board of Trustees, and no employee or agent of AISGW shall make or participate in any decision, review or evaluation, in which that person has a financial interest of any kind, whether disclosed or undisclosed.
- b. **No Undisclosed Personal Interest.** No member of the Board of Trustees, and no employee or agent of AISGW shall make or participate in any decision, review or evaluation in which that person has a personal interest (other than a financial interest) unless that person has disclosed his or her personal interest to all other participants in the decision-making process (or to the Board) and the final decision-maker (or the Board) has expressly concluded that the involvement of that person will not render any subsequent decision subject to the appearance of impropriety, lack of objectivity, or undue influence.
- c. **No School Interest.** No member of the Board of Trustees shall make or participate in any decision, review or evaluation, which uniquely affects, or could uniquely affect, that person's school in any way, whether disclosed or undisclosed; provided, however, that Trustees may review and establish membership fees without violating this policy.
