Addendum to AISGW Confidential Student Evaluation: COVID-19 Learning Experience

This addendum was developed to help applicant schools better understand a student's learning

experience during COVID-19. The information provided will be considered together with information shared on the standard form about traditional in-person learning. Have you taught this student in a distance learning or hybrid setting? Yes No If so, please elaborate on the following: How often did you see this student? _____ Please indicate how much of this student's learning was synchronous versus asynchronous and how the student performed in each of these settings. Please also specify size of instructional group, the format, and time spent for each (e.g., in a synchronous group of 10 students 2 hours/week, in a synchronous group one-on-one 1 hour/week, in an asynchronous format providing weekly packets, etc.). Were you able to reasonably assess this student's personal characteristics and academic performance during this time? Please specify tools used (e.g., work completion, formal assessment tools, etc.). Were there any special circumstances that occurred during this time which may have affected the student's performance? If so, please specify. _____
